What better investment is there than an investment in the education of today's youth and enhancing the quality of life in the community?

Due to the lack of funding in the area of music training in our school district, there is a strong need in many areas to assist these dedicated students in reaching their goals. This outstanding program prepares our youth for life by teaching them teamwork, discipline, and leadership skills. It is through the generosity of various business partners in our community that our program has been able to grow and become one of the strongest music programs in California.

Contributions from our business partners have allowed the Chino High School 77TH Cavalry Marching Band and Pageantry to represent the Chino Valley and the State of California in the 1999 Hollywood Christmas Parade, the 2002 Tournament of Roses Parade, and travel to Arizona where the talented group of performers were named the 2003, 2007, and 2011 Grand Master Champions at the National High School Band Championship at the Blue Cross/Blue Shield of Arizona Fiesta Bowl. The 2005 through 2011 marching seasons ended with Chino winning the SCSBOA Field Championship in the 6A Division. The group has been represented many times at the WGI World Championships in Ohio: From 2004-2008, Chino's Open Guard was a finalist; in 2010, 2012, and 2013, Chino's World Guard was a finalist; and in 2010, Chino's World Marching Percussion was a finalist. Additionally, our Band, Pageantry, and Chorale groups are invited to perform annually at Disneyland Parks.

Music not only enhances the current and future life of our performing students, but also brings a positive image and sense of pride to the community and all of those community members who support our program.
