Dear Directors:

We hope this letter finds you all well and starting to enjoy teaching music in person again!

First we want to inform everyone that we are moving forward with plans to hold a Field Tournament this fall! The Invitational Committee is currently planning with the Chino Music Boosters to hold the **“CHINO CAVALRY CLASSIC FIELD SHOW TOURNAMENT” on NOVEMBER 6, 2021.** With 49 years of running a successful marching event we have no doubt that this year’s Chino field tournament will be a spectacular one.

Due to the current construction on the Chino High School Campus and the limited number of groups applying for this portion of our event, we will be postponing the band review, and plan to hold the **“50th ANNUAL CHINO INVITATIONAL BAND REVIEW & FIELD SHOW TOURNAMENT”** next fall. Since the Invitational was always meant to be a dual event, with the absence of the band review portion, we felt it would not do the “Chino Invitational” name it’s true justice, and therefore are calling our field show the “Chino Cavalry Classic Field Show Tournament.” We hope you will join us!

I have included information and application, for the **“CHINO CAVALRY CLASSIC FIELD SHOW TOURNAMENT” ON NOVEMBER 6, 2021.** We look forward to seeing you soon!

Sincerely,

Tom Hutchens
President
